LDNIO A2528C – User Manual

1. Product Description

The **LDNIO A2528C** is a **compact and powerful 2-port USB-C charger**, designed for **fast and safe charging** of your devices. With a **maximum power output of 35W**, it is ideal for charging smartphones, tablets, and other electronic devices. Its **compact size and foldable EU plug** make it a great choice for home, office, and travel use.

2. Key Features

Dual USB-C ports – Allows simultaneous charging of two devices.
Up to 35W output – Supports fast charging for compatible devices.
Smart power distribution – Optimizes charging based on connected devices.
Safety protections – Protection against overvoltage, overheating, overload, and short circuits.
EU plug – Compatible with standard European outlets.

3. Technical Specifications

- **Input:** AC 100–240V, 50/60Hz
- **Outputs:**
  - USB-C1: **35W max.**
  - USB-C2: **35W max.**
  - When both ports are used simultaneously: **USB-C1 (17.5W) + USB-C2 (17.5W)**
- **Material:** Durable plastic
- **Dimensions:** Compact design for easy portability
- **Weight:** Lightweight construction for convenient travel

4. Usage Instructions

Connecting the Charger

- Plug the charger into a standard **EU power outlet (AC 100–240V)**.

Connecting Your Devices

- Connect your **USB-C cable** to one or both USB-C ports.
- Plug the other end of the cable into your device (smartphone, tablet, etc.).

Automatic Power Adjustment

- If **only one device is connected**, the charger provides a **maximum of 35W**.
- If **two devices are connected simultaneously**, the power is **split evenly (2 × 17.5W)**.

Disconnecting

- After charging, unplug the cable and remove the charger from the power outlet.

5. Recommendations and Safety Instructions

⚠ **Use high-quality USB-C cables** that support fast charging.

⚠ **Do not expose the charger to water, extreme temperatures, or physical damage.**

⚠ **Do not exceed the recommended power output or use with incompatible devices.**

⚠ **Unplug the charger from the power outlet when not in use.**

The **LDNIO A2528C** is the **perfect choice** for anyone looking for a **reliable, powerful, and compact** charger for modern USB-C devices.

6. Disposal

This product complies with **European Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE)**. It should not be disposed of with regular household waste. Please take it to a designated recycling collection point.
